Dmitrii Biurganovskii has been collaborating with the animation studio "DA" since 2011 and up to the present day, and during this time, he has proven himself as a valuable creative professional who can always be relied upon. Over the past many years, Dmitriy has composed music for series such as "Flying Animals," "Little Ones," and "Cars" (with a total YouTube view count exceeding 740 million). Not only is Dmitrii a professional and talented composer, but he also arranges all his compositions himself. He frequently engages external musicians of various genres, from classical to jazz, to perform his arrangements.

The animation studio "DA" is delighted to recommend this exceptional composer for any creative projects where talent, professionalism, and responsibility are required.
